Reports from the Vendors about the Status of the Requests

Procedures Manual

rev. 8/12/09

It is possible that vendors cannot fulfill our requests. Some books are either out of print (OP) or out of stock (OS), so they are backordered (BO) by the vendor. The information on the report card consists of a short message, indicating that the requested book is out of print or backordered, for example, "OP 4/16/09."

Some report cards have different messages; they should be entered into the Note area so that they are understood by the staff of the Acquisitions unit.
